CareSync Concierge announces Renew Your Vows virtual conference October 16 to 18

Seven daily conversations connect prevention, wellness practice, healthcare savings and professional opportunity under PharmDConcierge Family Services

October 1, 2026 - CareSync Concierge announces “Renew Your Vows,” a three-day virtual Open House taking place October 16-18, 2026, from 10:00 AM to 5:00 PM Eastern Time each day. Presented under PharmDConcierge Family Services - THE HUB OF HEALTHCARE, the event invites participants to explore services and resources from home through one-hour CareSync Connections Group Discussions.

FREE admission covers any day or all three days. Friday welcomes Professionals, Saturday welcomes HUB Partners, and Sunday welcomes Customers & Community. Participants may attend on any or every day, join the sessions they choose, and return during Open House hours. The same seven-session agenda runs each day.

The program opens with Meet The Diabetes Service Provider (DSP), hosted by Ken Sternfeld, Registered Pharmacist, Founder and Chief DiaBuddy Officer. Later discussions explore prediabetes awareness, the Diabetes Prevention Program, Diabetes Foundation resources, BodySite practice tools, NeedyMeds healthcare savings information, and a closing Q&A with uRecruits about joining the team.

Participants can preview the session flipbooks, review the daily calendar and share the invitation with colleagues, families and community organizations. The event focuses on exploration and group discussion.
